

# Central Mine Church came to life Sunday

Central Mine ghosttown came to life in Keweenaw Sunday as a standing-room only crowd packed both services at the old Central Mine Methodist Church.

Over 400 people turned out for the 79th annual reunion in Central. This year's sermon was delivered by Rev. Theodore E. Doane, Marquette District Superintendent of the United Methodist Church, Detroit Conference.

The service featured inspirational hymn singing, an excellent choir, trumpet solos, organ music and a feeling of the pioneer spirit which made the Keweenaw a great mining location. (Photo by Jan L. Bearerstadt)
